

MDM2 CONSORTIUM PARTICIPATION PLEDGE FORM

About MDM2

The mission of MDM2 is to build a globally competitive MedTech hub in Greater Phoenix for the next-generation of closed-loop medical devices enabled by convergence of semiconductors, biosensors, AI, and translational medicine.

Consortium Participation Levels

This signed pledge form confirms your participation and permits MDM2 to use your company name and/or logo in any printed materials or web pages identifying your organization as a participant.
